

Discretionary Transportation

New procedures approved by Board of Directors on 3/9/2009

The Carlisle School District will continue to offer discretionary transportation for the 2009-2010 school year. The following lists the changes to the program.

- The single child fee will be \$2/day and billed quarterly at \$90/quarter for unlimited usage. Total cost for one school year will be \$360. Families may choose to use this service one, two, three, or all four quarters.
- Families with more than one child will only pay a quarterly fee of \$150 for unlimited usage. The maximum total for one school year will be \$600 for a family.
- Families desiring short durations of service will be billed at \$2/day/child. (An example might be during a week-long vacation where service is needed.)
- No fee will be charged for occasional use such as having a friend go home with a paying child.
- Free and reduced qualified riders will be billed accordingly.

If you are interested in participating in this service, please complete a Discretionary Service Transportation Form (available at the Central Office or on the school's website, www.carlisle.k12.ia.us) and return to the Central Office by August 3, 2009. This deadline will allow time to plan the routes and distribute bus passes in a timely manner. No payment is required at the time of sign-up. An invoice will be mailed noting payment due. If you have any questions or cannot meet this deadline, please contact the central office at 989-3589.
