Student Recruitment Opt-Out Form

(To Prevent School Officials from Releasing Student's Personal Information to Military, Athletic, and College Recruiters)

Student Name: _____ **Date:** _____

The No Child Left Behind Act of 2001 (Section 9528) requires that high schools must provide military recruiters access to student names, addresses, and telephone listings. Parents or students may request that this information NOT be provided without written parental/guardian consent and districts must comply with all such requests.

The completion and return of this form serves as our request to withhold release of the student's private information to Military Recruiters. It also allows you to withhold the release of information to other types of recruiters mentioned below.

I understand that the No Child Left Behind Act of 2001 allows a student or a student's parent/guardian to prevent the release of personal information to military recruiters. In addition, the Carlisle Community School District is extending that choice to College and Athletic recruiters also. **Please read carefully, make the appropriate selections, and return with registration materials.**
