HARTFORD BOOK FAIR

Our second Scholastic Book Fair for Hartford Upper Elementary is scheduled for February 1st through February 12th. We invite you to our media center to share in the celebration of books and reading. Not only does this event help raise funds to purchase essential classroom and library resources, it encourages reading among our students. The Book Fair will be open each day from 8:30 a.m. to 4:00 p.m. We will have extended hours from 4:00 p.m. to 8:00 p. m. Tuesday, February 9th and Wednesday, February 10th during Parent-Teacher Conferences. At that time, parents, students, teachers, families, and the community are invited. Come browse and find books for the whole family, especially selections that help your child stay connected with reading. As usual, our Fair will have a Classroom Wish List for anyone interested in helping our teachers add more books to their classroom library shelves. These classroom libraries reinforce positive learning environments and provide all students with greater access to books. As students grow older, it is so important to keep books in their lives. Students who remain readers now are more likely to be lifelong learners. Readers develop larger vocabularies, a greater knowledge of the world, and higher academic achievement. In fact, studies indicate that being a reader is more predictive of success than intelligence, economic background or gender. So.....join us at our Book Fair and encourage your child to read!
