WEATHER RELATED SCHOOL CLOSINGS

Winter weather is upon us. The school will announce all school delays, early-outs, and closings as early as possible. As usual, we'll work hard to make good, thoughtful decisions. We'll coordinate our efforts with our transportation director, weather partners, and other neighboring schools. Announcements will be given to the following radio and television stations as well as our school website and KATZ local access TV. Des Moines Radio Group: 93.3 FM, 104.1 FM, 102.5 FM, 103.3 FM, 1350 AM, 940 AM, and Clear Channel 1040 AM; Television stations: WHO TV 13, KCCI Channel 8, and WOI Channel 5. Again, we'll strive to make the best possible decisions regarding the ability to hold school. But ultimately parents have and deserve the final authority as to whether or not their child will attend. If parents ever feel uncomfortable with our decision, please contact your child's building and your child will be excused.

LAST DAY OF SCHOOL

Due to the three snow days we have had this school year, the last day of school will be June 7, 2010.

CHS AFTER-PROM

CHS After-Prom is selling Village Inn Pie Certificates until December 18th. The cost is \$11.00, and they are valid at any Village Inn location. These certificates do not expire, make great gifts, and are valid outside of the Des Moines area, too! Please contact Gina Stone at 989-3250 or email gzss16@hotmail.com if you would like to purchase a certificate. Proceeds will help to support the 2010 After Prom event for our high school students. We thank you for your support!

U.S. CELLULAR IS "CALLING ALL COMMUNITIES" TO SUPPORT THEIR SCHOOLS

The Hartford Playground Renovation Committee would like to encourage all P.E.A.C.H. community members to participate in the U.S. Cellular "Calling All Communities" program. U.S. Cellular is providing an opportunity to "earn" financial support for schools. So many people ask what they can do to help - this would be a very easy way to become involved.

Through January 15, 2010, visit any U.S. Cellular store to be given a special code card which can be used to vote for Hartford Upper Elementary School online (Hartford's zip code is 50118). There is no purchase necessary to vote. After the vote is cast, give your card to any student attending Hartford and they will be able to turn it in to the teacher. Each classroom is offering an additional recess incentive to students for participation! The 10 schools with the most votes will receive \$100,000 to use however they choose. Show your school spirit by casting a vote! Smaller communities who come together for an important cause have the power to "win". Let's work together to enrich the school experience for our children. If you have further questions, please contact Julie A. Kruse, Hartford Upper Elementary Principal at 989-0316.
